### ***Discussion***

#### ***Work Schedules for Teachers 2022-23***

After Board discussion, the Board agreed with Superintendent Dr. Bruce Law's recommendation to start the 2022-23 school year with the same work schedule for teachers as the 2021-22 school year. The Board's expectation is that meetings occur to discuss how best to provide outcomes that improve the educational experience for students by allowing time for teachers to collaborate and time for teachers to meet with students.

#### ***Update on Daily and Weekly Schedules for Students 2023-24***

Continuing the discussion from the May 24 meeting and to plan for the work that will restart in the fall, the Board agreed that the desired outcome is a common framework that meets the constraints previously discussed with the Board. In addition, the Board agreed that the timeline for making the decision should be flexible to allow for enough time to complete the task.

The meeting adjourned at 10:44 p.m.
